CERTIFIED ORGANIC VINEYARD

2008 PURE RED, 3L BOX

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

TASTING NOTES

Red Plum and summer market cherries are woven with tobacco and smokey black pepper. Lush and expansive on the palate with black cherries, red currant and a touch of baking spices. The excellent finish highlights all of these flavors and are sustained in length and brightness of fruit.

WINEMAKER'S NOTES

A tremendous amount of effort goes into creating Pure Red. With so many different components finding the right combination of flavors and intensity can be both challenging and rewarding. An oak treatment was applied during fermentation, with a follow up treatment prior to "bottling". This results in a softer more approachable wine in its youth and balances the lush fruitiness of the style. Pure Red is made with Certified Organic Grapes, No Sulfites Added, Vegan.
