WINEMAKER'S NOTES

In the past two vintages of Pure White, the foundation has been Semillon and Mueller Thurgau. For the 2008 vintage we had the availability of certified organic Riesling and Sauvignon Blanc to contribute to the layers of complexity. With additional varietals and tools we were able to create a wine that is more complex and nuanced than past vintages. Pure White is made with Certified Organic Grapes, No Sulfites Added, and is Vegan.
