## CERTIFIED ORGANIC VINEYARD

### 2009 PURE WHITE, 3L BOX

COLUMBIA VALLEY | NO SULFITES ADDED (NSA) ORGANIC

#### TASTING NOTES

Aromas of blood oranges, pink grapefruit and honeysuckle race out of the glass and beckon you to dive in. These intense aromas fold into flavors of golden delicious apples, nectarines and dried apricot on the palate. Bright and vibrant with an amazing acid balance that rings through the delightful finish. Perfect for brunch, a picnic in the park, a day on the boat, or just sipping in the sunshine.

#### WINEMAKER'S NOTES

We are delighted that just over half the blend represents our Badger Mountain Estate Vineyard. With the grapes in our backyard, literally, we are able to keep a keen eye on the perfect time to harvest. This unique blend is a result of several blending trials, and each varietal contributes something essential. The 2009 is my favorite PURE White to date, with more layers and more bright fruit than ever. The individual wines were fermented with Elegance yeast entirely in stainless steel tanks to preserve the crisp acidity and brightness of fruit. Pure White is made with Certified Organic Grapes, is No Sulfites Added, and is Vegan.
