## 2009 Chardonnay, 3L box

### TASTING NOTES

Rich and lively aromatics of golden delicious apples, bananas and juicy pineapple greet you in the glass. These are woven delicately with sweet marzipan and layers of banana cream pie. The texture is alluringly smooth and complete. This is an easy wine to drink and to love. Enjoy poolside, on a boat, hike and deliciously with dinner.

### BLEND/VINEYARD INFO

100% Chardonnay

50% Nine Canyon Vineyard, Columbia Valley  
40% Gooseridge Vineyard, Columbia Valley  
10% Areté Vineyard, Wahluke Slope

### WINEMAKER'S NOTES

The harvest for this vintage of Powers Chardonnay in a 3L box, was predominantly from warm vineyard sites and took place from September 5 to 29, 2009. These warmer sites give grapes richer and riper tropical flavors. The Nine Canyon and Gooseridge Vineyard grapes were fermented and aged entirely in stainless steel tanks in order to maintain the perfect balance of acid and flavor. Most of the Areté grapes were aged in oak. About 60% of the Areté wine completed malo-lactic fermentation. It is the combination of these vineyards that form a complete wine with balance of richness and acidity in texture and flavors.
