## 2009 SHERIDAN VINEYARD CABERNET SAUVIGNON RESERVE

### TASTING NOTES

Fresh and layered aromatics of blueberries, anise and vanilla persist seductively in your glass. Decadently joined by cassis and fresh wild strawberries on the palate. These are met with intense molasses and caramel to swirl with pleasure. Supple and luxurious, this wine is provocative in its layers and delicious in its stunning finale.

### BLEND/VINEYARD INFO

100% Sheridan Vineyard Cabernet Sauvignon, Yakima Valley

### WINEMAKER'S NOTES

This is the second Reserve bottling of Sheridan Vineyard that we have created and we are continually impressed with the quality of fruit. Harvested in early October with 25. brix the pH was high enough to balance the tremendous acidity of the fruit. We used 796 yeast in our new pump under fermenter. The wine completed malo-lactic fermentation in barrel. We aged the wine for 33 months in 100% new French Oak. Bottled in early September, we are sure that you will love this wine!

### TECHNICAL DATA

Release Date:	10.01.2012
Alcohol:	14.5%
Acidity:	0.72
pH	3.81
Cases:	448
