

# POWERS

2013

## Reserve Cabernet Sauvignon

### Sheridan Vineyard

#### TASTING NOTES

This 2013 vintage shows complex aromatics of black cherries, plum, rose, and a nice hint of white pepper, sweet basil and fig on the nose. The palate has layered flavors of cherries, bright cranberries, licorice, and a slight touch of minerality that completes the beautiful mouthfeel. It is this minerality, along with fine and complex tannins that are integrated with a bright fruit intensity that sits alongside a sturdy backbone of acidity, which is all balanced by a nice touch of oak. These characteristics are what we love about the Sheridan Vineyard site and what we think sets it apart.

#### BLEND/VINEYARD INFO

**100% Cabernet Sauvignon**

100% Sheridan Vineyard Cabernet Sauvignon

#### WINEMAKER'S NOTES

Sheridan Vineyard is located in the heart of the Yakima Valley AVA and we are very proud to be one of the few wineries to be able to have access to the great fruit from this particular vineyard site. This is our 5<sup>th</sup> release of this wine and we are continually impressed with the quality of fruit from Sheridan Vineyard. We harvested the fruit in late October with a brix level of 25.5 with a tremendous balance of acidity and fruit. 796 yeast was used in our pump-under fermenter with the wine completing 100% malolactic fermentation in French Oak Barrels. The wine was then aged for 31 months in 60% new French Oak barrels with the other 40% in neutral French Oak.

#### TECHNICAL DATA

Release Date: Aug 3, 2016

Alcohol: 14%

Residual Sugar: 0.00

Acidity: 0.65

pH 3.76

Cases: 499
