2014

Reserve Cabernet Sauvignon Sheridan Vineyard

TASTING NOTES

This 2014 vintage shows very complex aromatics of mountain blackberries, violet, cocoa, and a nice hint of black currant, graphite, and limestone on the nose. The palate has layered flavors of plum, ripe blueberry, blackberry, and a slight touch of minerality and fennel seed that completes the beautiful mouthfeel. It is this nice balance of fine and complex tannins, alongside a bright fruit intensity with a nice touch of minerality, oak and a sturdy backbone of acidity. These characteristics are what we love about the Sheridan Vineyard site and what we think sets it apart.

BLEND/VINEYARD INFO

100% Cabernet Sauvignon

100% Sheridan Vineyard Cabernet Sauvignon

WINEMAKER'S NOTES

Sheridan Vineyard is located in the heart of the Yakima Valley AVA and we are very proud to be one of the few wineries to be able to have access to the great fruit from this particular vineyard site. This is our 6th release of this wine and we are continually impressed with the quality of fruit from Sheridan Vineyard, especially the Old Block from which the Reserve wine is selected. We harvested the fruit in mid to late October with an average brix level of 25.95 with a tremendous balance of acidity and fruit. PDM yeast was used in our pump-under fermenter with the wine completing 100% malolactic fermentation in French Oak barrels. The wine was then aged for 31 months in 52% new French Oak barrels with the other 48% in neutral French Oak.

TECHNICAL DATA

Release Date: Aug 23, 2017

Residual Sugar: Dry

pH 3.84

Alcohol: 14%

Acidity: 0.66

Cases: 497
