2015

3L Cabernet Sauvignon

Aromatic layers of dark plum, Bing Cherries, and a touch of cassis. Undertones of eucalyptus, mint, and other fine herbs round out the nose on this complex wine. On the palate, these rich flavors of plum, Bing Cherries, raspberries and currants mesh with a touch of herb and spice and linger onto the medium finish. Very nice balance of fruit and structure, this is a classic Washington Cabernet Sauvignon.
