## CABERNET SAUVIGNON

### 2013

**Bright layered aromatics of ripe blackberry, black cherry, and black currant with a touch of warm earth and tobacco, this wine explodes on the palate. Flavors of black fruits, pomegranate, and tobacco leaf soaked in molasses, these flavors are intertwined and rounded out by a nice rich mouthfeel. This wine has a medium finish that is balanced with nice tannins and acidity.**

**Made with 100%  
Organically Grown Fruit**
